Technical drawing of the Neoptolige bridge structure, showing a cross-section with dimensions and labels. The drawing includes a top view and a side elevation. The top view shows a central rectangular section with a width of 7.5m and a height of 4.00m, flanked by two circular sections with a diameter of 0.50m. The side elevation shows the bridge structure with a total width of 0.5m and a height of 2.2m. The bridge is supported by two pillars, each with a width of 0.5m and a height of 2.2m. The bridge deck is labeled "Neoptolige".
